Subject: MMC Metrology Lab is sole source distributor for Ashcroft Inc.'s Weksler Hi-Shock and MIL-Spec products

To Whom It May Concern:

MMC Metrology Lab, Inc. in Virginia Beach, Virginia is the sole master distributor for Ashcroft Inc.'s Weksler Hi-Shock and Mil-Spec instrumentation, including pressure gauges to MIL-G-18997E, bi-metal thermometers to MIL-I-17244E, remote indicating gas-actuated thermometers to MIL-T-19646 and Mil-Spec thermowells. MMC carries large levels of Weksler inventory with the ability to meet your immediate needs.

MMC Metrology Lab is authorized by Ashcroft Inc. to quote all direct government inquiries including those from all DSC locations (including ESOC and BPA) and direct Navy requests.

Additionally, MMC Metrology Lab maintains authorization of Ashcroft Inc. to perform field service on Weksler Hi-Shock and Mil-Spec products in include instrument reconfiguration to master drawings and repair and/or calibration to be published specifications consistent with the quality requirements of Ashcroft Inc., utilizing factory supplied components and drawings. This field service can be provided by MMC Metrology Lab on site or in their NAVSEA accredited calibration/service facility in Virginia Beach, Virginia.

I am confident that you will be satisfied by the high levels of service and support that MMC Metrology Lab provides regarding Weksler Hi-Shock and Mil-Spec instrumentation. If you need any further information regarding this partnership between Ashcroft Inc. and MMC Metrology Lab, please feel free to contact me directly.

Please contact Mary Moran at MMC Metrology Lab directly for pricing and delivery for all Weksler Hi-Shock and Mil-Spec requests, or Dan O'Donnell if you have questions concerning MMC Metrology Lab's quality program or accreditation. If you require technical assistance, please contact Steve Swetz, Q. A. Engineer, MMC.

This sourcing relationship remains in effect as of 2018 through 2022.
